Club Chatter

Volume 2022, Number 2

February 2022

From Our President

Betsy Grannis

January was a very busy month for our club! At our monthly meeting we were introduced to two of the organizations that we will be assisting through the funds from the **Rye Foundation** grant that we received. We were able to award the check for **\$8,333.34** to the acting directors of **Clayton Area Ministries**, Rich and Diana Howard. We will be working to distribute the rest of the funds soon. As stewards of the money we need to be assured that the organizations we are gifting meet the parameters of the Rye Foundation.

We also hosted our **Murder Mystery Dinner fundraiser** at the clubhouse. It was so much fun and we were very successful! Big thanks to all of you who contributed to our event – either by donating food, beverages, desserts, decorations, or working the event, or attending the event. We are so grateful to the Performing Arts students and instructors from **Clayton High School** who put great effort into making it so successful. We made **\$1751** thanks to everyone's hard work!

The **Pampered Chef fundraiser** was held this past weekend at my home. We had a fabulous turnout (25 in-person guests) and many who placed orders online. Thank you to all who participated. The total sales were nearly \$2500, so the club will be receiving a donation of **\$321.44**. In addition to that, we opted

to take a donation of the Flex & Multi-Prep Set (a \$329 value) from our wonderful consultant, Amy Gibson, in lieu of a \$215 contribution. We will use this great item as one of our Silent Auction items for our Small Town Gala fundraiser.

February is the month of love and of Valentine's Day in all of its manifestations – Gal-entines, Pal-entines, and whatever other names the greeting card companies have come up with to get us to buy more gifts. It is also the month we celebrate Women's Heart Health Awareness. Our program speaker will focus on this topic so we are asking everyone to **dress in red** for our February meeting.

Other things that have kept us busy in January are our **annual award entries and reports**. This is the time of year we tally up all the volunteer hours and funds that we have gathered and spent on the projects we have completed. Sarah Brooks has done a ton of work on these and they are almost at the completion point. She is a wizard with spreadsheets and has simplified that part of this process. She is also remarkable at writing the narratives for our entries and we so appreciate the job she does!! Kudos to Sarah for making our club look good and for slogging through all the information to come up with

our beautiful award entries!

The votes have been tallied from our meetings and from the online voting opportunity and we are so excited to have the winners of our **Individual Club-women Awards**. We will be announcing the recipients at our February meeting and the winners will be sent on to District and to GFWC-NC to represent our club. Congratulations to all!

Our club's next big event is coming up quickly: our **Small Town Gala** on March 19th. Tickets will be available for you to purchase and for all your friends, neighbors and family to purchase as well. We hope that all of you will do your best to sell as many tickets as you possibly can to make this event our most successful ever. Please challenge yourself to go a little beyond what is comfortable for you and ask everyone you can think of to buy a ticket. You never know until you ask. You can reach out to people out of the area since they need not be present to win the **\$10,000 grand prize**. Thank you for promoting the heck out of this!

On Page 2 is a quote I would like to share with you about this **month of love** that we are beginning.

January Meeting Highlights

Page 2

The **January meeting** was held on January 12th at the clubhouse with 32 members and 1 guest attending. The **Education & Libraries CSP** hosted the meeting and the delicious meal was prepared by Betsy Grannis. The devotion and blessing was given by Brenda Gay.

One visitor, Denise Fries, was introduced.

There were two guest speakers: Melissa Dooley, **Serve the Need Johnston County** Secretary; Rich and Diana Howard, **Clayton Area Ministries** (CAM). A flyer about Serve the Need Johnston County is attached at the end of the newsletter. Mr. Howard stated in 2021, CAM served 2461 families (9522 individuals). They are in need of jelly, tuna fish, pasta and pasta sauce. They always need paper products as these are not eligible for Food Stamps. Betsy Grannis presented the Howard's with a check for **\$8,333.34** to fulfill the first disbursement from the Rye Foundation grant.

Highlights from the meeting:

- All members present were given a ballot for clubwomen awards. Winners will be announced at the February meeting. Nominated were:
 - ⇒ **Outstanding Citizenship & Patriotism**—Judy Ryan (the second nominee chose not to remain on the ballot)
 - ⇒ **Clubwoman with "Heart"** - Nancy Maynard and Trish Perna
 - ⇒ **Clubwoman of the Year**—Peggy Earp and Betsy Grannis
- There were still a few tickets for the **Murder Mystery Dinner** on January 14th.
- Betsy Grannis will host a **Pampered Chef fundraiser** party January 23rd at her home.
- Two **Murder Mystery Dinners** are planned for January 14-15. Tickets are \$35/person. Clayton High School drama students will be the actors. Seating will be limited (50 persons per dinner) so get your tickets soon!
- Judy Ryan reported that plans for the **Small Town Gala**, the club's largest fundraiser, are moving along. It will be held March 19th at The Farm@42. Members interested in helping with an event committee should contact Judy Ryan or Loretta Mascia. Online tickets will be available next week and printed tickets will be available for distribution at the next meeting.

- **Art Festival** entries must be turned in by members by January 18th. The student art will be on display at the Clayton Center on February 1 or 2. The Arts Festival will be February 3rd at 6pm at the Clayton Center.
- Sarah Brooks will be sending Executive Board members a spreadsheet with **statistical information** on each club project during 2021. Missing information will be highlighted in yellow. All persons responsible for the different project need to provide the information to Sarah ASAP. The information must be submitted to GFWC-NC the end of January.
- Susan Johnson read a thank you card from **First Baptist Church** thanking the Club for our \$300 donation for the Backpack Buddies special holiday boxes.
- The Arts & Culture CSP sent 351 recycled cards to St. Jude's Ranch in Nevada.
- The Arts & Culture CSP will be cutting fabric for **no-sew blankets** on February 3rd, Noon, at the clubhouse. Members are encouraged to participate in this fun project. The Special Needs class at **River Dell Elementary** will finish the blankets on February 17th. If you want to participate, contact Angela Williams or Dianne Carroll.
- Brenda Gay, Co-chair of the Education & Libraries CSP, asked members to bring gently used or new **books for first graders**. The books will be given to First Graders at Cooper Academy in April so they will have books to read over the summer.
- Members were asked to help the Environment CSP on January 14th between 10am-4pm to pack up **Candyland** decorations.
- Nancy Maynard encouraged members to **give blood** as there is a major shortage right now. Contact Nancy for more information.
- Volunteers are needed to provide a meal for **House of Hope** on the second Tuesday of each month. Also, volunteers are needed to call **Bingo** at the Senior Center on the second Friday of each month. Contact Nancy Maynard if you are able to volunteer for either event.
- The **Riverwood Middle School** event to honor Margaret Lee's husband, Phil, who was their principal for 11 years, was postponed and will be rescheduled.

Hospitality

Thank you, Sarah Brooks and Jo Howard, for supporting the **House of Hope** with a very delicious meal in January. Your kindness is very much appreciated.

We started out the new year with a nice size group at the Senior Center for Aging for BINGO. Thanks again, Marybeth for being our "runner" and helping to keep things running smoothly.

Health and Wellness will be hosting the February meeting. Kathryn Candore of The American Heart Association will be our guest speaker. **She also just happens to be Susan Quinn's daughter.** We are looking forward to having her share her knowledge with us.

We are asking everyone to wear **RED** to show support for the awareness of heart disease.

True story---one of my dear friends wasn't feeling well. She said she felt "very tired" and "just didn't feel right". After a couple of days, she decided to go to the doctor to get checked out. A few hours later she was having coronary artery bypass surgery. She had no previous knowledge that she had any kind of "heart condition". She is now a very firm believer to "listen to your body". If something just doesn't feel right----don't hesitate to seek help. I'm so grateful that she did.

SENIOR GAMES JOHNSTON COUNTY SENIOR GAMES AND SENIOR ARTS are finally happening this year! The only requirement is to be at least 50 years old. I will have more information at the February meeting.

The Health and Wellness CSP will be collecting Feminine Hygiene Products at the February meeting. These will be donated to Clayton Area Ministries.

Heart Attack Warning Signs

Some heart attacks are sudden and intense, but most of them start slowly, with mild pain or discomfort. Here are signs that can mean a heart attack is happening:

- **Chest discomfort.** Most heart attacks involve discomfort in the center of the chest that lasts more than a few minutes, or that goes away and comes back. It can feel like uncomfortable pressure, squeezing, fullness or pain.
- **Discomfort in other areas of the upper body.** Symptoms can include pain or discomfort in one or both arms, the back, neck, jaw or stomach.
- **Shortness of breath.** This feeling often comes along with chest discomfort. But it can also occur without chest discomfort.
- **Other signs** may include breaking out in a cold sweat, nausea or lightheadedness.

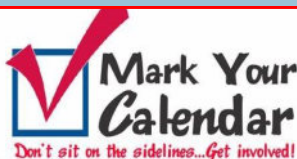

If you or someone you're with has one or more of these signs, call 9-1-1 immediately. Get to the hospital right away.

If you're the one having symptoms, and you can't access the emergency medical services (EMS), have someone drive you to the hospital right away. Don't drive yourself, unless you have absolutely no other option.

The Arts & Culture CSP will be making **No Sew Blankets** at the Clubhouse on **February 4 at 10:00 am**. All members are invited to help with this project. Seven of the blankets will be partially completed and then finished by the students in our adopted special needs class. The other blankets will be donated to other organizations to be given to kids. If you can attend for an hour or more please come join us. It would be helpful if you could bring a pair of scissors.

Civic Engagement & Outreach CSP

Co-Chairs: Susan Johnson and Susan Quinn

The CEO CSP members have had no projects the last two months but many have been active with Candyland in the Garden, Christmas Kids and Senior Wishes, and the Murder Mystery fundraiser. It takes **many hands** to make our club run smoothly and crossing over to help other service programs builds teamwork and harnesses the vast resources of our club members to address the needs of the community.

As we look forward to the spring, CEO hopes to honor our military community in some way. More information to follow.

Environment CSP

Co-Chairs: Rachel Masimore, Trish Perna

Nothing to report.

Education & Libraries CSP

Co-Chairs: Brenda Gay, Margaret Lee

Margaret Lee has stepped down as co-chair because of health problems. She has been a great asset to this CSP and the club in general. We will miss her and look forward to seeing her in the future. She has finally realized her goal for this year to have a **Murder Mystery Dinner** at our clubhouse. Margaret has worked on this goal as a club project for the last few years but "Covid" got in the way. Thankfully, it worked out for us this year.

Of course, the Covid Virus has stopped some of the Education & Libraries' other projects also, but we keep setting the goals. As Winston Churchill said, "Success is not final, failure is not fatal: it is the courage to continue that counts".

We are in the process of completing the **Sallie Southall Cotton Scholarship** program. More news later about this.

Our **book bag** project for Cooper Academy will be in April for five first grades. Please bring books in good condition for first graders, used ones are okay. Spanish books would be appreciated, also, as one of the grades is Spanish.

Night 'N' Gals

Chair: Sarah Brooks

The **Night 'N' Gals** will meet via Zoom on **February 10th at 7pm** and all members are invited to attend. The Zoom link will be sent to all members on February 9th.

The ESO book club met on Monday, January 3rd at The Woman's Club with our new **2022 glasses** on. In order to report on our great books each member had read, we finally had to take those glasses off as the prescriptions were not good for reading. We had fun posing for the picture though.

It started out as an icy cold rain and just as the thought to cancel the book club meeting, the sun came out, rain stopped just enough so faithful, dedicated members started pouring in two by two (like Norah's Ark). So you see, we needed those glasses to add to the sunshine and delight.

The following are two books listed by two of our members:

Little Pilgrim's Progress: from John Bunyan's Classic by Helen L. Taylor (It is a simple adventure story and a profound allegory of the Christian journey through life. A delightful read with a message kids ages 6 to 12 can understand and remember.) **Loretta Mascia** reported on this book.

The Lost Page: An Archaeological Thriller by Joe Edd Morris (Novel about an archaeologist, Christopher Jordan, and ancient manuscript expert, Kathryn Ferguson, travel to Syria in search of the original scroll of Marks' Gospel.) **Betsy Grannis** reported on this book.

I purchased the magazine called "**Woman's World**" dated January 17th, 2022. It caught my interest because of the article on the front page about Betty White. Although her article was good reading, an even more interesting article caught my interest on page 7. It tells about a movie coming out January 21st called "Let Your Heart Soar with Redeeming Love". It goes on to say "lose yourself in this timeless love story set during the California Gold Rush of 1850." The story is inspired by the book of Hosea from the Bible.

Get your **Bibles** out and read the book of Hosea, then go see the movie, "Redeeming Love" and perhaps we can discuss it at our meeting in March.

Our next book club meeting will be at the clubhouse, Monday, February 7th at 10:00. Please let me know if you cannot be present.

Fill this year with great memories and good books!

Art Festival Chair: Susan Johnson

The **Clubwomen and Student Art Festival** is scheduled for **February 3rd at 6:00 PM** at the Clayton Center. Our student artists have presented us with beautiful pieces for display and our judges from the Johnston County Arts Council will select the first place winners. All first place winners will have their pieces submitted for judging at the GFWC-NC State Art Festival on March 12th.

Club members **Linda Strevig, Patty Jo Johnson, Betsy Grannis, Brenda Gay, Sandy Nesselrode, and Trish Perna** have submitted photography, crafts, or visual arts for the show.

Peggy Earp has collected the literature entries from our clubwomen and will assist with forwarding those to the State festival.

Come out the evening of the 3rd to support our clubwomen and students as we showcase their work!

Rhonda Nielsen will host Bunco on February 22nd. We will start playing at **12:30pm** because the clubhouse is rented starting at 3:00.

Bunco is an extremely easy game of dice that provides members time to come together for an afternoon of fun and frivolity!! All members are welcome to participate—just let Sarah Brooks know if you want to be added to the Bunco list. Upcoming Bunco dates: **February 22nd (starting at 12:30).**

Murder Mystery Dinner

Chair: Nancy Maynard

The **Murder Mystery Dinner** fundraiser held January 21st was a success providing a fun evening for those that attended or participated behind the scenes. The murder mystery played out by performing arts students from Clayton High School made the event even more special. **\$1751** was raised!! The only down side of the evening was not having **Margaret Lee** at the event. Margaret was chairing but had to step down due to her recent illness. A big thanks to **Nancy Maynard** for stepping up to the plate!

One of the TWCC fundraisers this year is the **Jewelry Tree**. Jewelry donated by members will be listed and sold on **Facebook Marketplace** by Margaret Lee and Trish Perna. Some things that sell well are vintage pieces, such as pins, silver (925) rings and bracelets. Contact Trish or Margaret if you have items to sell or bring the items to one of the monthly meetings.

Susan Johnson holds Lucy—she cared for Lucy for a month while Margaret Lee was undergoing treatment.

Ladies,

I just wanted to thank all of you for your phone calls, texts, emails and sweet "Get Well" cards that were all the best therapy for me during my stay at Rex Hospital, Rex Rehab and then to my daughter's home in Raleigh by Christmas Day. The mail delivery lady at the rehab center told me she had never seen so many cards being delivered to any one person since her employment there. And, you know what? Most of those cards were coming from our club members. From the bottom of my heart, thank you so very much. You helped me get through some very difficult times! The best gift was being able to see my Raleigh family on Christmas Day and to spend several weeks with them during my recuperation.

A very special thank you to Aunt Susan Johnson for taking my Baby Lucy and watching her for a month. I knew that Lucy (my 11 lb. fur baby) was being spoiled rotten and well taken care of.

To my friend, Brenda Hill, who took care of all the rest, even putting together a Meal Train when I returned home. So happy to say we've known one another since the 8th grade in Newport News, Va. We now kid one another about things that we will take to the grave, but the cutest thing is when Brenda comes over to check on me, she opens the door and yells, "Honey, I'm home!".

Ladies, thank you for helping me unpack when I got home and put away groceries for me. Also, thank you for all the impromptu visits at home and all of the meals you ladies provided me with (Susan Johnson, Brenda Hill, Robin Sachsenheimer, Susan Quinn, and Judy Ryan) were just phenomenal. I think I've gained 10 pounds from these wonderful meals.

In Fellowship gratitude and love,

Margaret Lee
