Volume 2025 Number 3

March 2025

From Our President

Trish Perna

Well, we did it—we survived the *Blizzard of 2025*! I hope everyone has thawed out and is ready to jump into spring. While we may not have needed snow shovels, I know many of us braved the cold, bundled up with extra layers, and perhaps even indulged in an extra cup (or three) of warm tea or hot chocolate! Now, as the days grow longer and the first signs of spring appear soon, our club continues to make a lasting impact on our community.

Thanks to our **2024-2025 Club Special Project Funds**, we have been able to contribute to two meaningful initiatives. First, we have purchased **four benches** for the Town of Clayton. These benches will be situated at **East Clayton Community Park, Sam's Branch Trailhead, the Pedestrian Trail between Amelia Church Road and South Lombard Street, and Town Square**. These benches will provide much-needed seating for resi-

dents and visitors enjoying these community spaces. A plaque will be added to each bench, recognizing our club's contribution to enhancing Clayton's outdoor areas.

Additionally, we are proud to support **Isiah 117 House – Johnston County**, a transition home for children awaiting foster placement. Our funds will be used to build a **bedroom and a half bath**, ensuring a safe, comforting space for children during a critical time in their lives. To personally express gratitude for our club's generosity, **Jessica and Randa from Isiah 117 House will be joining us at our March meeting**. It will be a wonderful opportunity to hear firsthand how our support is making a difference.

In even more exciting news, our **scholarship recipients have been chosen!** It is always inspiring to learn about outstanding students who will represent the

next generation of leaders. I look forward to hearing their stories and celebrating their achievements at the April Meeting.

Lastly, **Sarah Brooks**, serving as a CSP co-chair, is no longer able to serve as a parliamentarian. Therefore, I wish to thank **Debby Smith** for agreeing to be my new **Parliamentarian** to assist in ensuring our meetings and processes run smoothly. I wish to thank **Sarah Brooks** for her support in this role for the last several years!

These projects and opportunities are a testament to what we can accomplish together. Thank you for your generosity, your passion, and your commitment to making our community a better place. Let's continue this momentum as we move into spring — warmer days are coming. Yay!

The Health & Wellness (H&W) Community Service Program (CSP) hosted the February General Membership meeting. February is Heart Health Month, and the H&W team requested that everyone wear RED to commemorate the occasion. Our chef extraordinaire, Betsy Grannis, even made a heart-healthy turkey chili! Thanks to everyone who helped with serving, decorating, and cleaning!

Joni Hubble-Zeneberg, the Local Coordinator for the Johnston County Senior Games, was our speaker, and the best way to describe her is Dynamic! She enthusiastically encouraged everyone to sign up to participate in one of the games or to volunteer to assist in scorekeeping, registration, etc. "You just can't have too many volunteers," says Joni. The H&W CSP made a donation to the "Games" to help with making this an awesome year! The Senior Games will take place at several JoCo locations beginning March 31 through May 11th.

Special thanks to **Jo Howard** for providing a delicious meal for the staff and girls at House of Hope in February. Please look for the sign-up sheet during the March meeting. We want to fill the volunteer sheet up for the remainder of the program year so head to the back table at our next meeting.

Our CSP also collected comfort items for the Springbrook Nursing and Rehabilitation Center residents. So often, our senior population escapes our thoughts, so we are so thankful to all who brought items to the February meeting.

The seniors at the Clayton Center for Active Aging had a great time with **Judy Ryan** at the monthly Bingo games again this month. The H&W CSP provides small prizes for each Bingo win, but we are always excited when members bring in goodies!

Please mark your calendars for May 17th from 2:30-5:30 at The Walk. **Marianne Sapsara** has organized the 2nd annual Blood Drive/Fundraiser. TWCC will receive \$10.00 from the Blood Connection for each member who donates.

Night 'N' Gals

The **Night 'N' Gals** will meet via Zoom on MONDAY, March 18th at 7:00pm. This is open to any member who wishes to attend. The Zoom address will be emailed to members prior to the meeting.

Environment

Co-Chairs: Carrole Dayton, Rhonda Nielsen, Sarah Brooks

In early February, when the temperatures were in the high 60s, the TWCC Fairy Gardeners met to start stage 2 of the project.

First, they added bags of soil and fertilizer to amend the soil in the existing garden bed. Next, decisions were made on the placement of the foundation plants and bulbs. An overall design for the garden was discussed, and a basic layout was created.

The Fairy Garden is located at the Main Street Community Garden. Come out and take a look! We are still accepting any figurines you want to donate.

The TWCC gardeners for the day were **Rhonda Nielsen** our project manager, **Cecilia Soporowska**, **Barbara Barat**, and **Carrole Dayton**.

Example of a Fairy Garden

Way to go members! We are half way there!! As of February 28th, members have reported a total of 506 pounds of soft plastic collected and deposited at either Lowes Food, Food Lion or Harris Teeter. We have 7 months to collect another 500 pounds so keep it up and hopefully we will have a beautiful Trex bench on club property before 2026. Don't forget to report the weight of plastic you collect either at the club meetings, or email to sbrooks@twccnc.org, or text to 984-323-2625.

The environmental CSP is hosting the March meeting. We have invited an herbalist from Plantmosphere to speak on the benefits of growing herbs for your personal usage. Plus, they are making something special for all the members to take home.

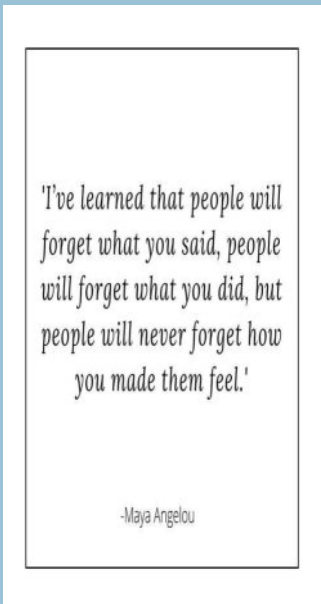

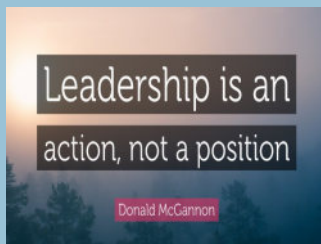

Consider wearing your best **GREEN** to celebrate St. Patrick's Day and Earth Day.

The Environment CSP is still collecting used musical instruments, worn-out sneakers, wine corks and crushable soft plastic!

Education & Libraries CSP

Co-Chairs: Margaret Lee & Donna Steele, Susan Mancuso

Scholarship interviews were held on January 28th and February 18th.

Ginny Kinnerly, Sarah Brooks and **Margaret Lee** had the privilege of interviewing 15 amazing and talented seniors from Clayton HS, Cleveland HS and ending with our interviews at Corinth Holder HS.

From these three high schools, we were tasked to come up with a first place winner for The Sallie Southall Cotten Scholarship and go on to represent The Woman's Club of Clayton in the District 8 finals and hopefully on to the State finals.

We eventually ended up with a TWCC winner for the Sallie Southall Scholarship. This winner is to receive \$3,925 from our club and will go on to represent the club in District 8 and hopefully at the State level as well.

A 2nd place winner was selected and will receive a one-time award from the club of \$1,925.

This year, we also had a recipient for the Sybil Champion Community College award. This winner will receive a one-time \$1,000 award to attend the community college of their choice in North Carolina.

These scholarships were made available by a scholarship fund that was started by a local bank and former clubwoman many years ago.

These young students are receiving these scholarships from the interest that we have earned every year.

Please attend our April meeting to meet our impressive winners and hear about their stories.

Many thanks to our three club members who worked so diligently together to interview so many impressive and outstanding students!

We are still collecting new and gently used 1st grade level books and "reading buddies" (small stuffed animals) for the backpacks that will be given out at the end of the school year. Please bring what you can to the March meeting.

Education and Libraries CSP would like to extend a very special welcome to their new members.

Julie Ginsler enjoys golf, cooking, gardening and is really enjoying being retired!

Teresa Chicarelli works at Duke University as a Grant Manager and enjoys reading, hiking, and gardening.

Lisa Marie Zavala works as a Realtor and Author. In her downtime she enjoys time outdoors, reading, knitting and crochet.

March 6 is National "Slam the Scam" Day. The Social Security Administration (SSA) has designated March 6 as its annual Slam the Scam Day. The day is intended to raise awareness of Social Security-related and other government imposter scams. Keeping informed about these types of scams is the most effective method for deterring cyber criminals. National Slam the Scam Day began in 2020 to educate the public on ways to combat Social Security-related scams. Due to the frequently changing tactics used by scammers, the initiative has since expanded to include other government imposter scams. Slam the Scam Day is held annually as part of the Federal Trade Commission's [National Consumer Protection Week](#), which takes place this year from March 2-8.

The SSA issued a warning on February 11, 2025 about a new scam tactic by criminals trying to lure potential retirement applicants to their site. This recent scam email appears to be from SSA and has the subject line: "Claim Benefits!" It states "Important: Apply for

Your Social Security Benefits Starting in 2025". **THIS EMAIL IS NOT FROM SSA.** Clicking on the link within the email redirects individuals to a fraudulent site.

The SSA is advising to always be cautious of responding to unsolicited emails that appear to be from an official government entity, such as SSA, or another federal agency. These emails are a variation of government imposter scams. **DELETE IT.** Don't click on links or respond to any text, email, phone call, or letter that has characteristics of a scam.

WHAT TO DO IF YOU ARE A VICTIM

Stop talking to the scammer. Notify financial institutions and safeguard accounts.

Report Social Security-related scams to SSA OIG (oig.ssa.gov).

Contact local law enforcement and file a police report.

If you lost money, file a complaint with the Federal Bureau of Investigation Internet Crime Complaint Center (ic3.gov).

Report other scams to the Federal Trade Commission (ftc.gov).

Keep financial transaction information and the record of all communications with the scammer.

Garlic Steak & Potato Foil Packets

Juicy steak & tender potatoes seasoned with garlic and Italian herbs, all wrapped in foil for a simple, no-mess dinner.

INGREDIENTS

- 2 lbs lean sirloin steak, cut into 2" chunks
- 1 lb baby yellow potatoes, quartered
- 1 Tbsp minced garlic
- 2 tsp Italian seasoning
- 1 tsp onion powder
- 3 Tbsp olive oil
- Salt & pepper, to taste

DIRECTIONS

Preheat oven to 425 F (if baking)

In a large bowl, combine the steak, potatoes, garlic, Italian seasoning, onion powder, olive oil, salt, and pepper. Mix well to ensure everything is evenly coated.

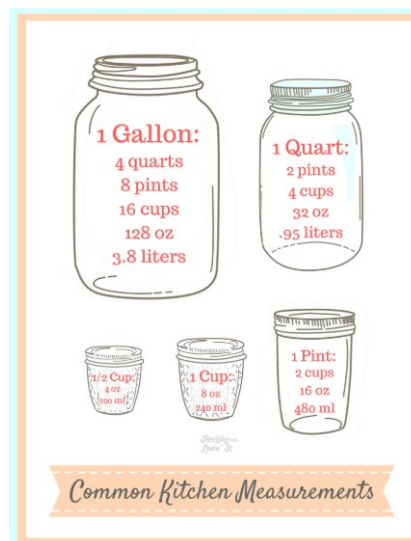

Lay out four 12x12 inch sheets of aluminum foil. Divide the mixture evenly among them.

Fold and seal the edges of each foil sheet tightly to lock in the flavors. Bak in the oven or grill over medium heat for about 20-25 minutes, or until the steak is cooked to your liking and the potatoes are tender.

Tips:

For extra flavor, add a sprinkle of grated Parmesan cheese before sealing the foil.

Serve with a side of steamed vegetables or a fresh green salad for a complete meal.
